

THE ESSENCE OF THE
LIGHT, NATURE & LIFE

JISO
ILUMINACION
SPAIN

More than 20 years
lighting dreams

Since 2001

*For more than 20 years we have been growing and projecting incredible spaces that can only be achieved thanks to the strength and essence of light.
In 2001 we began this adventure and our aim has always been to offer our customers lighting that would make them dream, transforming every room, enriching it with new colours and atmospheres.*

JISO Iluminación lleva más de 20 años creciendo e imaginando espacios increíbles que sólo pueden conseguirse gracias a la fuerza y la esencia de la luz.
En 2001 comenzamos esta aventura, nuestro objetivo era ofrecer a nuestros clientes luminarias que transformasen cada estancia, enriqueciéndola con nuevos colores y ambientes.

We were born in Chiva, near Valencia, and there you can find our main offices, production and logistics centre, and our showroom with our luminaires.

Nuestra sede está ubicada en la población valenciana de Chiva, cerca de Valencia, en ella se encuentran nuestras oficinas principales, centro de producción y logística, y nuestro showroom con nuestros productos.

More than 60 Countries

We are global; we meet the needs of the domestic market, but also the international market. We are present in more than 60 countries, including Portugal, France, the Netherlands, the Czech Republic, Poland, Morocco, Egypt, Lebanon, Oman, Cuba, Sierra Leone, Algeria, Qatar, Kuwait, Saudi Arabia, UAE and Peru.

Muy presentes en el mercado nacional e internacional, estamos presentes en más de 60 países entre ellos Portugal, Francia, Países Bajos, República Checa, Polonia, Marruecos, Egipto, Líbano, Oman, Cuba, Sierra Leona, Argelia, Qatar, Kuwait, Arabia Saudí, UAE o Perú.

Product Control

Our product control and development laboratory carries out testing, verification of manufactured luminaires, development and analysis of new products. In order to ensure that our luminaires meet both our quality standards and the applicable regulations. We are ISO 9001:2015 and ISO 14001:2015 certified.

Nuestro laboratorio de control y desarrollo de producto lleva a cabo tanto ensayos de control y verificación de producto como desarrollo y análisis de nuevos productos, con el fin de que nuestras luminarias cumplan tanto con nuestros estándares de calidad como con la normativa de aplicación. Contamos con los certificados ISO 9001:2015 y 14001:2015.

Cutting-edge products that incorporate the latest improvements in luminous efficiency. We work to ensure that our luminaires offer the best lumen/watt ratio and the best CRI. New designs and new technology allow us to offer luminaires that meet the needs of our customers.

Productos de vanguardia que incorporan las últimas mejoras en eficiencia luminosa. Trabajamos para que nuestras luminarias ofrezcan la mejor relación lumen/watio y el mejor CRI. Los nuevos diseños y las nuevas tecnologías nos permiten ofrecer luminarias que satisfacen las necesidades de nuestros clientes.

In a dynamic and constantly changing world, we work every day to offer different, quality and avant-garde luminaires that adapt to the demands of the market. Luminaires with a high aesthetic level, but also with the latest dimming and control technology.

En un mundo dinámico y en constante cambio, trabajamos cada día para ofrecer luminarias diferentes, de calidad y vanguardistas que se adapten a las exigencias del mercado. Luminarias con un alto nivel estético, pero también con la última tecnología de regulación y control.

Smart Control System

Intelligent lighting is the present and for this reason our luminaires can be controlled and regulated with most of the options available on the market. In a easy way you can adapt the light in each space depending on the need of the moment and create scenes or daily routines.

La iluminación inteligente es el presente y por ello nuestras luminarias pueden ser controladas y reguladas con la mayoría de las opciones disponibles en el mercado. De una forma sencilla se puede adaptar la luz en cada espacio dependiendo de la necesidad del momento y crear escenas o rutinas diarias.

Our exhibitions

We like to know, study, exchange impressions and share experiences. That is why we are present at both national and international trade fairs and events in the sector. To present our luminaires to the world, but also to learn and soak up everything that happens at Light&Building, Euroluce, Light Middle East, Oporto Electrica, Matelec,...

Nos gusta conocer, estudiar, intercambiar impresiones y compartir experiencias. Por eso estamos presentes en ferias y eventos del sector, tanto nacionales como internacionales. Para presentar nuestras luminarias al mundo, pero también para aprender y empaparnos de todo lo que ocurre en Light&Building, Euroluce, Light Middle East, Oporto Electrica, Matelec,...

CAVE. Ambience

With the intensity and majesty in which light reaches a cave, Cave surprisingly penetrates into any stay. Its large size and design evokes the bombast of the nature of this light.

OWL. Dots

Points that glimpse in the dark to the smallest detail, such as the eyes of an owl. Dots with its small and elegant luminaires brings light to any room in your rooms.

HAWK. Dots

Our Hawk model is inspired by the wings of falcons, in its aesthetics, but also in its characteristics. An easily combinable model that allows you to create a multitude of luminaires within a single one.

TURTLE. Tubule

Retractable like the neck of a turtle. Turtle adapts its length to the needs of each client with a simple and elegant design.

LIANA. Pendant

As if it were in the jungle, LIANA adapts to your room, creating a network of intelligent magnetic guides that will run through ceilings and walls to illuminate all kinds of rooms.

OUTDOOR

Like stars in the sky, Outdoor LEDs illuminate any space. Its infinite models will make these luminaires an essential element to shine outdoor lighting.

LAKE. Ambience

The lights of LAKE illuminate like the reflection of the sunset in the waters of the lake. A sense of peace and vastness presented by nature and LAKE lighting.

EAGLE. Dots

The eagle's vision is powerful and capable of focusing any point at a great distance. Eagle takes this wonder of nature to develop luminaires capable of bringing any element into focus in your interiors.

CATERPILLAR. Magnetic

Caterpillar is a magnetic system capable of gripping any surface with the ease of a caterpillar. Its guides will cut through walls and ceilings creating a smart magnetic track that will allow you to easily install spotlights and lights.

SPIDER. Tubule

Fast and smart, these lamps will sweep down walls and ceilings like spider webs to illuminate and personalize all kinds of rooms.

DRAGON. Big

In traditional Chinese culture, the dragon among other things symbolizes power. This imposing luminaire amazes with its simplicity and size, turning each space into a stage full of light and brilliance.

[WallWasher]

Con la intensidad y majestuosidad en que la luz llega a una cueva, Cave penetra de forma sorprendente en cualquier estancia. Su gran tamaño y diseño evoca la grandilocuencia de la naturaleza de esta luminaria.

With the intensity and majesty in which light reaches a cave, Cave surprisingly penetrates into any stay. Its large size and design evokes the bombast in nature of this light.

CAVE

We present a new family of LED downlights, "CAVE", Made with an Aluminum body, it is composed of 7 models of different sizes with up to 7 different powers, from 3W to 30W. Its minimalist design allows us to have an extra thin ring on the surface and its "Deep Effect" generates a visible depth from any point, achieving an Anti Glering UGR <19. To complete all kind of projects, we have a wide variety of finishes, as well as multiple color temperature options, and Smart regulation systems and controls. We highlight: its IP44 ext., its easy installation and the option of aluminum rings to cover an uppercut if necessary, as well as the possibility of replacing the COB LED module, just by removing 3 screws.

The luminaire always includes a driver, in on / off format, JISO SPAIN driver with a 5-year warranty.

The luminaire is CB Certified and several of the models have EER certificates available for distribution in Saudi Arabia.

- “Deep Effect”
- Minimalist aesthetic
- Semitrimless
- Facility to replace led module

CAVE offers the option of adding aluminium rings to cover different cut-outs from the luminaire if necessary. These accessories are available in the same finishes as the luminaire, and their simple and quick installation considerably expands the installation possibilities.

Puntos que vislumbran en la oscuridad hasta el más mínimo detalle, así son los ojos de un buho. OWL con sus pequeñas y elegantes luminarias trae luz a cualquier sitio en tus estancias.

Points that glimpse in the dark to the smallest detail, such are the eyes of an owl. OWL with its small and elegant luminaires brings light to any room in your rooms.

The OWL collection has different sizes and opening degrees, but the same linear design.
Applications: residential, hospitality.

Caterpillar es un sistema magnético capaz de agarrarse a cualquier superficie con la facilidad de una oruga. Sus guías surcarán paredes y techos creando una oruga magnética inteligente que te permitirán instalar de forma sencilla focos y luces.

Caterpillar is a magnetic system capable of gripping any surface with the ease of a caterpillar. Its guides will cut through walls and ceilings creating a smart magnetic track that will allow you to easily install spotlights and lights.

CATERPILLAR
MAGNETIC

LOW VOLTAGE 48V

Collection of 48V low voltage Track system with Magnetic system, to which we have added a more complex fixing system to prevent falls. Functional collection adaptable to multifunctional spaces such as restaurants, shops and different rooms. New system that we can use for surface, recessed or trimless installations and suspension. We offer designers multiple options both in installation, as well as a great variety of luminaires of different powers (from 5W to 30W), which can be moved at any time and can also be powered from a single power source.

NEW CLOSING SYSTEM

Multiple luminaires with different designs and powers in the same installation. Change the arrangement of the luminaires without changing the installation

After fix the light to the track make sure the lock is on position

General Conditions

All orders sent to JISO ILUMINACION, S.L. are bound to the general sales conditions issued by the exporter, which will be accepted by the customer from the issue of his order.

The goods are exclusive property of JISO ILUMINACION, S.L., until the full payment of the invoice amount even if the goods have been sold to a third part.

All the goods supplied by JISO ILUMINACION, S.L. will be sent with incoterm “EXW” and at the customer’s account and risk. Any other transport conditions will have to be previously agreed by both parts. The possible claims for damages, missing goods, etc. will have to be done during the next 24 hours from the receipt of the goods and duly written on the delivery note of the transport company.

The sales are expressly under the legislation of the Convention for the International Sale of Goods of the UN (Vienna 1980) In case of dispute the parties shall go to the Arbitration Court of the Valencian Chamber of Commerce (Valencia-Spain).

For online distribution and sales of Jiso Iluminación products, you must require the authorisation of the Company. Otherwise, the Company reserves reserves the rate to take any legal or commercial action.

Condiciones Generales

Todos los pedidos deberán ser formulados a JISO ILUMINACIÓN, S.L. por escrito vía fax o e-mail, quedando aceptadas por el comprador las condiciones descritas a continuación.

La mercancía suministrada por la empresa, será propiedad de JISO ILUMINACIÓN, S.L. hasta el momento de pago, aunque dicha mercancía hubiese sido vendida a un tercero.

Los plazos de entrega son aproximados y sin compromiso, JISO ILUMINACION, S.L. no admitirá demandas por daños y perjuicios por la demora en la entrega.

El destinatario tiene la obligación de examinar la mercancía a su recepción y hacer constar las incidencias, si las hubiese, dentro del plazo de 24 horas, a JISO ILUMINACION, S.L., si el envío fue a portes pagados o bien a su agencia de transporte si fue a portes debidos.

En caso de discrepancia entre el comprador y JISO ILUMINACION, S.L., ambas partes se someterán expresamente a los Juzgados y Tribunales de Valencia.

Para la distribución y venta online de productos Jiso Iluminación, se precisa la autorización de la empresa. En caso contrario, la empresa se reserva el derecho de realizar cualquier acción legal y/o comercial.

General Information

All items meet the E.C. safety regulations. We reserve the right to cancel or change all models without prior notice. The descriptions and dimensions of the items in this catalogue are indicative and may be modified for the purpose of technical or design improvements. Do not use stronger bulbs than recommended, and always clean lamps with a soft dry cloth alone since metal polish will damage the protection. The finishes and technical specifications listed here are for the European market and may vary elsewhere. The necessary transformer or switchgear is not included with the luminaries, unless it has been requested and supplied with the luminary. The luminary will not be subject to the “Electromagnetic Compatibility (EMC) directive) and ultimate responsibility as regards compliance lies with the fitter.

All references highlighted in **bold** are available, the rest consult minimum of quantity and delivery time.

Información General

Todos los modelos presentados en este catálogo, cumplen las normas exigidas por la C.E. para aparatos de iluminación. La empresa se reserva el derecho de anular o modificar cualquier modelo sin previo aviso. Las descripciones y medidas de las luminarias y accesorios del presente catálogo son orientativas, pudiendo ser modificadas a fin de mejorar las características técnicas o de diseño. Para una buena conservación de las luminarias, no usar bombillas de potencia superior a las recomendadas y limpiar simplemente con un paño seco. No usar limpia metales, ya que pueden dañar la protección que garantiza la duración del acabado. Los acabados y especificaciones técnicas corresponden a los productos que se suministran en Europa, pudiendo éstos variar en otros mercados. En las luminarias en las que no se incluye el transformador o equipo de funcionamiento necesario, si éste no se solicita y suministra junto con la luminaria, ésta no estará sometida a la “Directiva de Compatibilidad Electromagnética (EMC)” y la responsabilidad final en cuanto a su cumplimiento recae en el instalador.

Todas las referencias en **negrita** están disponibles, el resto consultar pedido mínimo y plazo de entrega.
